Consult the table

Check the waste that must be collected every day in your area following the coloured boxes. Each colour in the table identifies the type of waste that will be collected.

| MON | TUE | WED | THU | FRI | SAT |
|-----|-----|-----|-----|-----|-----|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

* ATTENTION:

The paper can be conferred only on Monday evening; cardboard packaging can be conferred everyday.

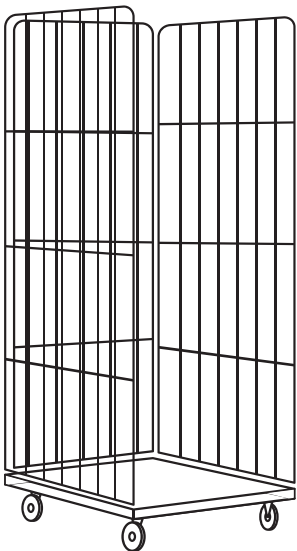

Expose your waste container form **7 pm** of the day before the collection to **2 am** of the collection day.

For other waste assimilated to urban consult the municipal regulation.

HOW TO CONFER

CARDBOARD PACKAGING

You must bend and press the cardboard packaging and expose them in the indicated times, outside of your business, on public ground and in the special roller.

You must put paper waste in the blu container and expose them on public ground in the indicated times.

WHERE DO I THROW IT? LOOK HERE
